MOTION AND AFFIDAVIT

I request that a bench warrant be issued and **PINKNEY, EDWARD** be arrested and brought before the Court for probation revocation proceedings for the following reasons:

Violated the 15th condition of probation, which states that he shall not engage any assaultive, abusive, defamatory, demeaning, harassing, violent, threatening, or intimidating behavior, including the use through any electronic or print media under his care, custody, or control of the mail, e-mail, or Internet, as Mr. Pinkney authored an article in the People's Tribune at www.peoplestribune.org in the November/December 2007 issue, stating that, "We must fight for justice for all anytime you have a judge like Alfred Butzbaugh, who is a racist." "Nor did I receive due process by the dumb Judge and prosecutor." "Judge Butzbaugh has violated his oath." "We are still waiting on this racist, corrupt judge to do the same."
