Invasion

45 seconds to pronounce the real deal-

DEAL

mass destruction by hands

HAND?

many hand steering airborne cancers that kills

Killed Dorothy to LUNG CANCER?

and she didn't smoke

I guess Miss Evers

great-great-grand children

carried my mother's-mother

to the land mill in Mississippi
it airborne fumes & rich crude oil
Is that all they care for?
New Orleans people
though spirited people
be buried in pain
as this government spends billions
on war & tours to see a satellite on mars
they dump and brag they own the sewer mill
burning chronic waste, the babies now, asthmatic
from Brewster/Boland, the Bricks-Ninth Ward
in New Orleans
it's a pure invasion to kill us all
nuclear and global warming
the conquest never stopped
UNITED, we must fight the white supremacy
that's systematically designed to wipe us out with
global warming
earthquakes
global warming
glaciers the size of Texas dropping in the seas-
causing Tsunamis
global warming
surfacing server hurricanes-
Wilma
Katrina
Rita

warning, this is a 45 second-warning
to the racist government-we demand you repair New Orleans
it black and brown people,
though spirited people-they will live!
