**"Because he was a man who fought and died
for what he thought was fair, so for young people,
he is a man who needs to be followed. And as
time goes by and countries are governed by
increasingly corrupt people ... Che's persona gets
bigger and greater, and he becomes a man to
imitate. He is not a God who needs to be praised
or anything like that, just a man whose example
we can follow, in always giving our best in
everything we do."**
