If you are not in a situation of living hand to mouth financially, you probably know someone who is.

Unfortunately, BC continues to struggle. We are all too familiar with living with a cash flow that causes a great deal of stress, embarrassment and at times a very uncomfortable level of humiliation.

If you are one of the readers who has given us a hand in the past we hope you may be able to do it again.

If you have never made a contribution, but have considered it, please do it today.

We will continue to do our best to keep up our end in the movement for economic justice, social justice and peace.

We thank you sincerely for your support and your readership.

In solidarity and peace,

Peter Gamble, Publisher, BlackCommentator.com
