Here's something new from BlackCommentator.com. Our first question of the week feature. It is really a question for the next two weeks because it's August and vacation time and summer may slow things down a bit. We are also leaving this question up for more than one week because the issue is of critical importance.

The question we want you to answer using Talk Back to BC is:

**What do you make of the disruptions of the healthcare town halls?
What does this represent and how should progressives respond?**

This is an exciting new feature for us and we hope you will enjoy it. The call is free. Please speak up - no whispering allowed! If you blow it or don't like what you did, just let us know by saying something like "dump this one", hang up and try again.
